Help! I forgot my Progressbook password?

You will need to contact Tammy Newsock. Email her with your request and she will reset your password.

Account Questions

What if I forgot my password to log
into Samegoal?

Samegoal uses the same password
you use for Progressbook or DASL. If
you need those reset, then contact
Tammy Newsock.

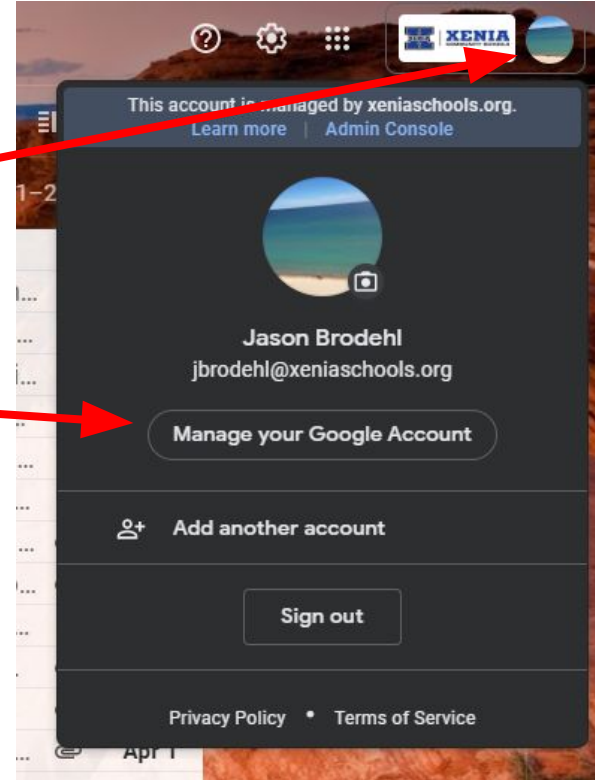

Account Questions

Google for Education

Account Questions

Google for Education

How do I change my Google password?

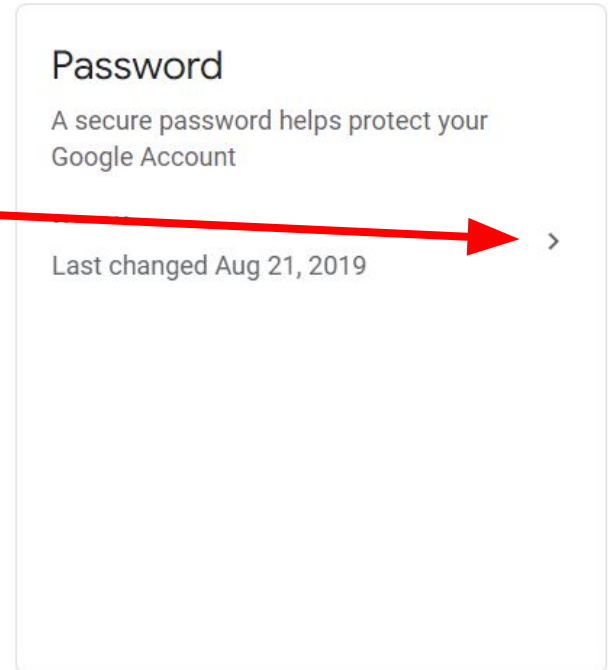

1. Click on Personal info

How do I change my Google password?

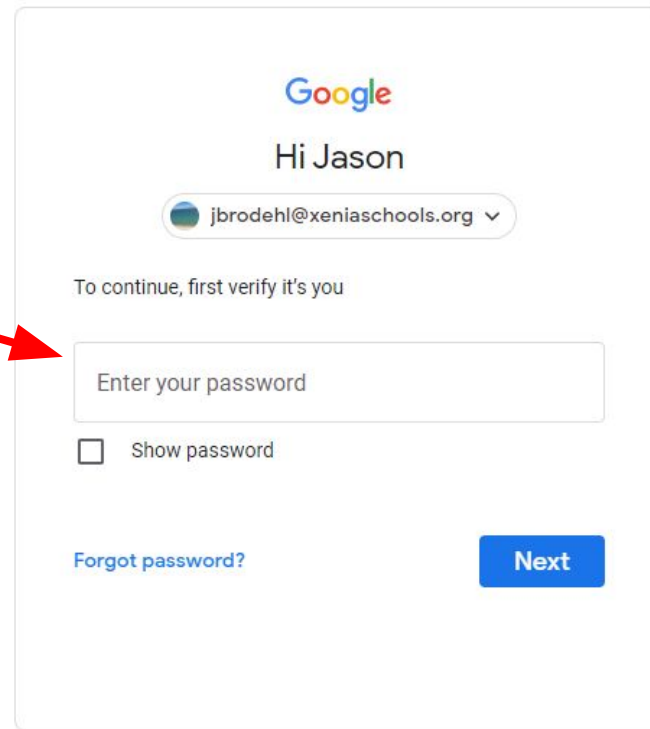

1. Scroll down until you see Password.
2. Click on mini arrow.

How do I change my Google password?

1. It will ask you for your current password.

A screenshot of the Google account verification screen. At the top is the Google logo, followed by 'Hi Jason'. Below that is a profile picture and the email address 'jbrodehl@xeniaschools.org' with a dropdown arrow. The text 'To continue, first verify it's you' is displayed. A red arrow from the text 'It will ask you for your current password.' points to a password input field labeled 'Enter your password'. Below the field is a checkbox labeled 'Show password'. At the bottom left is a link 'Forgot password?' and at the bottom right is a blue 'Next' button.

Account Questions

How do I change my password to log into a desktop computer?

1. Type in your old password.
2. Type in your new password.
3. Confirm your new password by typing the new password in again.

A screenshot of the Windows 'Change a password' interface. At the top is a circular icon of a person. Below it, the text 'Change a password' is displayed. There are four input fields: an empty one at the top, followed by 'Old password', 'New password', and 'Confirm password' with a right-pointing arrow. At the bottom, there is a link that says 'Create a password reset disk'. Three red arrows originate from the list on the left and point to the 'Old password', 'New password', and 'Confirm password' fields respectively.
